## President’s Message

HAPPY NEW YEAR and good health to you all. I hope this year will be a good one for all of us. It’s time to make our New Year’s resolutions. I’m hoping that we will all resolve to reduce our carbon footprints so that the generations to come will be able to enjoy this planet as we have enjoyed it.

For this week change at least two light bulbs and turn your thermostat down a degree in winter and up one in the summer. Walk more and drive less and carpool when you can. I think this is the best resolution we can make.

Nonviolence is the answer to the  
crucial political and moral questions of our  
time; the need for mankind to overcome  
oppression and violence without resorting to  
oppression and violence. Mankind must evolve  
for all human conflict a method which rejects  
revenge, aggression, and retaliation. The  
foundation of such a method is love.

Martin Luther King Jr.
