President’s Message

This message has been the hardest to write. I didn’t want to write about any of the news this week. Unemployment in Florida is creating new records. Haiti, the poorest of the poor, is suffering more. One so-called religious leader is blaming it on what these people’s ancestors did or did not do. Massachusetts voters elected someone that Teddy Kennedy is very upset with, I’m sure. Maybe the worst thing was that the Supreme Court ruled that corporations can use as much money as they want to elect anyone they want. Only the corruptible need apply.

My good news is that I am going to be a nanny for three months! I will be taking care of my granddaughter, Grace, while, her mother finishes college and my son settles into a new job. I can’t do anything about the other poor news except donate, but to have the opportunity to love Grace everyday will be wonderful. So, wish me luck. I will start in September.

AIDING HAITI THROUGH THE UUSC

Congratulations! We quickly raised \$500 for the UUSC/UUA joint campaign to aid earthquake victims in Haiti. Recognizing that the UUSC is a very effective way to directly help victims, you may wish to contribute to UUSC on your own (especially if you missed the first opportunity). Just go to the website at www.uusc.org to find out how easy it is. It's tax deductible, of course.

In solidarity, Hal Sims
