President's Message

It is Spring! Spring Equinox was two weeks ago and we are now preparing for Easter and Passover.

This year in Florida has been cold. I have no special message this month except I'm glad that it is warming up.

Be sure to turn in your pledge cards. Think about the fact that every Sunday service is a time to express what's on your mind and learn something new; to exercise your mind and be with people you enjoy. Let your pledge reflect how much you appreciate that.

Unitarian Universalism is a religion based on our common humanity, our common search for meaning. It is respectful of what we share and of our differences. It holds a great reverence for life and a strong belief in the power of the mind. Because of this it is open, caring, democratic and non-creedal, drawing upon the wisdom of the ages wherever it may be found. Its essence is mutual respect and sharing. Everyone is welcome.

the pains I have so humbly taken to verify my
