Liberty is my religion. Liberty of hand and brain -- of thought and labor, liberty is a word hated by kings -- loathed by popes. It is a word that shatters thrones and altars -- that leaves the crowned without subjects, and the outstretched hand of superstition without alms. Liberty is the blossom and fruit of justice -- the perfume of mercy. Liberty is the seed and soil, the air and light, the dew and rain of progress, love and joy.

Robert G. Ingersoll

I spent the afternoon musing on Life. If you come to think of it, what a queer thing Life is! So unlike anything else, don't you know, if you see what I mean.
