President's Message

Here we are rushing headlong into THE HOLIDAYS; making all those momentous decisions like what parties to go to, how much to eat, how much to spend on ourselves and our friends and families. But, wait a minute, the country is in a financial crisis, maybe we shouldn't spend so wildly. But, if we don't spend wildly maybe the country will be worse off. Maybe spending wildly was what got us in this situation. What can we do?

Here are some easy answers for our group. Be sure to attend the ACLU Banquet on Dec 4th and the Americans United pot luck on the 8th, if possible.

Come to the Wassail for sure on December 20th. You don't want to miss it!

And when you're thinking of what presents to give remember that the Fellowship will be making donations of food and money to the Free Clinic again this year. The Kaminskis took our bags of food last Sunday and needed help to carry it all to their car. It looked like a lot and it was, but it won't be enough. Too many people in St. Petersburg will be short of food again this year and the Free Clinic and other charities can't keep up with the need. Bring more food for our Free Clinic donation box and bring big checks (or little bits of cash) for the Free Clinic collection box.

And for our larger community don't forget to fill your Guest at Your Table boxes.

That sounds pretty awful: nothing but give, give, give but the need is so great and seems to be growing. We have to do what we can.

Happy Holidays!

If I had been present at the creation, I would have given some useful hints.

I don't have any idea what I'm doing here. I
didn't even know that Alaska Airlines had a
