## President's Message

Happy New Year to all!

Here's my New Year's Resolution AND the legacy of my presidency: The Fellowship has children who will learn something about other religions, their own religion and why their parents and friends at the Fellowship are Unitarian Universalist.

Obviously I can't do it all myself, but all of us can do it easily. I want to get together to plan how we can teach our children without missing out on our own programs. I know we can do it because we've done it before. I will schedule a meeting in January which suits parents and everyone else who would be willing to give an hour a month for our (wonderful, bright, charming, cute, choose your own adjective) children. We don't even have to make up our own lessons. The Church of the Larger Fellowship and the UUA have huge resources available.

There is a page of testimonials from former students included with the newsletter. You may have chatted with them while they were visiting during the holidays. Read what they have to say about their Religious Education at the Fellowship.

If a nation values anything more than freedom, it will lose its freedom; and the irony of it is that if it is comfort or money that it values more, it will lose that, too.

W. Somerset Maugham

there is bound to be a certain amount of trouble running any country if you are president the trouble happens to you but if you are a tyrant you can arrange things so that most of the trouble happens to other people

Six rules for a happy life

1. Avoid fried meats which angry up the blood
2. If your stomach disputes you, lie down and pacify it with cool thoughts
3. Keep the juices flowing by jangling around gently as you move
4. Go very light on vices such as carrying on in society. The social ramble ain't restful
5. Avoid running at all times
6. Don't look back. Something may be gaining on you.
