President's Message

The past year has been a exciting one for the Fellowship. The UUA's regional advertising campaign worked for the Fellowship and the other UU congregations in the area. We had a new member celebration for 6 new members last Sunday and one more got caught up in the excitement and signed the book on the spot.

My delight in welcoming new members this week is tempered by my sadness at losing another long time member, Sidney Goetz who died today. He had spent most of his 94 years working to preserve the US Constitution and our fundamental freedoms as Americans. We owe him more than we can ever repay.

Our new members won't get a chance to know Sid but there are plenty of other people in the Fellowship who are wonderfully talented, dedicated to justice, and a joy to know. I look forward to a wonderful year as your new president.
